

blu

By day it's the color of horizons,
of the waters that quench your thirst,
and the shores... of an island.

blu

Submerge into the deep for a
moment and emerge, soothed by its
escape, renewed and refreshed.

By night, **blu** is a mood.
It wraps around you, bathes you in light;
so much hidden, revealed in
the glow of night.

Set afloat in the shimmer of desire,
blu keeps you up.
Beneath the sea it conspires to keep you
wanting it to be **blu** all the time.

Welcome, to the other side of....
